TASKI Sani MouldOut

Mould & mildew remover — 750ml trigger spray

Ready to use**High-foaming****Chlorine-based**

no dilution

clings to vertical surfacespH ≈ 11

TASKI Sani MouldOut is a ready-to-use, chlorine-based grout cleaner that removes mould, mildew and fungus from tiles, tile joints and shower cubicles — also suitable for cleaning shower curtains. Its high-foaming formula clings to vertical surfaces for better contact time. No dilution needed — just spray, wait and rinse.

Before you start

- Wear gloves and eye protection — this is a chlorine-based product.
- Don't mix with acidic cleaners.
- Only use on dry surfaces, in a well-ventilated area — avoid inhaling the spray.
- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Ready to use straight from the trigger bottle — no mixing needed.

● Removing mould & mildew

- 1 Remove any loose soiling first.
- 2 Spray directly onto tiles, grout lines, cubicles or shower curtains.
- 3 Leave for a few minutes to work.
- 4 Rinse thoroughly with clean water.
- 5 Wipe with a clean cloth.
