Cif Professional Oxy-Gel

Active-oxygen multi-surface gel cleaner — 5L

Neat or diluted**No rinse** **Active oxygen**

flexible use

when dilutedlifts dirt fast

Cif Professional Oxy-Gel is an active-oxygen gel cleaner for daily use on floors and all washable surfaces — walls, tiles, protected and unprotected floors. The active oxygen forms micro-bubbles that lift dirt, which the gel then removes quickly. No rinsing needed when used diluted.

Before you start

- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Use neat on tough, localised stains — dilute for general daily cleaning of larger areas.

• Small areas or tough stains — neat

- 1 Pour Oxy-Gel onto a damp sponge or directly onto the surface.
- 2 Clean the area and leave for 1-2 minutes.
- 3 Rinse.

• Large areas — diluted

- 1 Dilute **40-80ml in 8L** of water — the gel dissolves immediately.
- 2 Apply the solution with a cloth or mop.
- 3 No rinsing needed.
