Comfort PF Classic

Fabric softener — Fresh (Blue) / Sensitive (Pure) / Sensorial (Pink) — 4.8L

Dose by machine size**Rinse cycle** **3 fragrances**

6-7kg vs 4-5kg

dispenser drawersame dosing

Comfort PF Classic is a concentrated fabric softener for on-premise laundries, dosed straight into the washing machine's rinse-cycle drawer. All three variants — Fresh (Blue), Sensitive (Pure) and Sensorial (Pink) — use the same dosing; only the fragrance and skin-sensitivity profile differ.

Before you start

- Dose into the machine drawer — don't pour directly onto fabrics.
- Wash hands after handling.
- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Dose depends on the machine's load capacity — measure with the bottle cap or a dosing cup.

●Machine wash

- 1 For a **6-7kg machine**, dose **55ml** into the fabric conditioner drawer.
- 2 For a **4-5kg machine**, dose **35ml** into the drawer.
- 3 Run the wash as normal — the softener releases automatically during the rinse cycle.

●Hand washing

- 1 Dose **18ml per 10L** of water.
- 2 Add during the final rinse.
- 3 Do not pour concentrate directly onto fabric.

Product details

Format
