Domestos Professional Original Bleach

Thick gel bleach — 5L

Neat**Diluted****pH ~13**

toilets, drains, sinksfloors & surfacesalkaline

Domestos Professional Original Bleach is a thick gel bleach that clings to surfaces for longer contact time, with anti-limescale action. Use neat for disinfection on toilets, drains and sinks, or diluted for general surface cleaning, cloth/sponge soaking, and bleaching whites.

Before you start

- Wear gloves and eye protection.
- Never mix with other chemicals, especially anything acidic — this releases dangerous chlorine gas.
- Do not use neat on floors.
- Ensure good ventilation when using.
- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Use neat for disinfection in toilets and drains; dilute for general surface cleaning.

•Toilets — neat

- 1 Apply **≈80ml** under the rim.
- 2 Leave for 30 minutes to kill bacteria, fungi, viruses and spores.
- 3 For best ongoing protection against limescale and germs, use at least once a day.

•Drains & sinks — neat

- 1 Drains: pour directly in to disinfect and eliminate odours.
- 2 Sinks: pour into the plughole and overflow, leave 5 minutes, then rinse thoroughly.

•Floors & work surfaces — diluted

- 1 Dilute **180ml in 5L** of water.
- 2 Apply with a mop or cloth. Do not use neat on floors.

•Dishcloths & sponges — diluted

- 1 Dilute **90ml** in half a bucket of water.
 - 2 Soak the cloth or sponge in the solution.
-

●**Bleaching whites — diluted**

- 1 Dilute **20ml in 5L** of water.
- 2 Soak overnight, then rinse thoroughly after use.

Product details

Format	Thick gel bleach (5L)
pH (neat)	≈ 13

Suitable for: toilets, drains, sinks, floors and general hard surfaces. Not for neat use on floors.
