Persil Non Bio Washing Powder

Laundry powder — 150 wash

50g **Dispenser drawerNon-bio**
standard dosemedium soil/hardness sensitive skin

Persil Non Bio Washing Powder is a dermatologically tested laundry powder, gentle on sensitive skin while still tackling tough stains in cold washes. Dosed into the machine's dispenser drawer — the amount depends on soil level and water hardness.

Before you start

- Avoid contact with eyes — rinse thoroughly with water if it happens.
- Wear gloves for hand washing.
- Not suitable for silk or wool.
- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Use the box's dosing table for exact amounts — as a starting point:

●Machine wash

- 1 Check garment care labels and choose the appropriate wash cycle and temperature.
- 2 Add **50g** of powder to the dispenser drawer for a normal load, medium soiling and medium-hard water.
- 3 Increase the dose for heavier soiling or harder water — check the pack's dosing table.
- 4 Avoid underfilling the machine, and wash at lower temperatures where possible.
