Surf Professional White

Biological laundry powder — 140 wash

~60g

Dispenser drawer

Enzyme action

per average loadmanually fed machinesworks at low temps

Surf Professional White is a biological laundry powder with an extra strong whiteness formula and fragrance-boosting technology. The enzymes work efficiently even at low temperatures, giving strong stain removal without needing a hot wash.

Before you start

- Not suitable for silk or wool.
- Suitable for manually fed washing machines.
- For professional/trade use only.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

One 8.4kg box gives around 140 washes — roughly 60g per average load.

Machine wash

- 1 Check garment care labels and choose the appropriate wash cycle and temperature.
- 2 Add the powder to the dispenser drawer — around 60g for an average load.
- 3 Don't overload the washing machine.
- 4 Run the wash as normal.
