Pine Disinfectant

Cleaner & disinfectant for drains, floors, sinks & toilets

Neat

small-area disinfection

Diluted

mopping & wiping

Pine scent

clean, familiar fragrance

Pine Disinfectant is a general-purpose disinfectant with a long-lasting pine fragrance, suitable for drains, floors, sinks and toilets. Dilute for everyday mopping and wiping, or use neat on small areas needing stronger disinfection.

Before you start

- Wear gloves for prolonged contact.
- Not suitable for non-washable surfaces (untreated or oiled wood, carpets, soft furnishings, polished furniture, wallpaper, painted surfaces, aluminium).
- Test in an inconspicuous area first.
- Full safety information is in the product's Safety Data Sheet — ask us if you need a copy.

How to use it

Use diluted for everyday cleaning, or neat for stronger disinfection of small areas.

● General cleaning — diluted

- 1 Dilute **1 part disinfectant to 30 parts water** — a stronger mix can be made for heavier soiling.
- 2 Apply with a mop or cloth to floors, sinks, drains and other washable hard surfaces.

● Disinfecting small areas — neat

- 1 Apply neat and leave for 5 minutes.
- 2 Wipe with a wet cloth.
